ON THE COVER: Clarion State 150-pounder Wade Schalles, who completed a "triple crown" by winning Outstanding Wrestler honors at the 1972 National Collegiate championships. In the last three weeks of a season in which he compiled a 39-1 record, Schalles annexed similar honors at first the Pennsylvania Conference meet and then at the College Division championships. He pinned 13 of 15 opponents on his way to the three crowns. All this was accomplished while the Hollidaysburg, Pa., native was only a sophomore. His two-year collegiate ledger shows 76 wins, including 50 pins, and only five losses. In the classroom, Schalles is a social studies major at the Clarion, Pa., school.

NATIONAL PREVIEW-REVIEW

Far West Teams Look To Hosting Role For End Of Mat Championship Drought

By **BOB DELLINGER**

Sports Editor, The Daily Oklahoman and Oklahoma City Times

The Winning of the Old West was a long, drawn-out struggle in which the home folks had very little success in determining who "won" or just how it was done.

But when the National Collegiate wrestling tournament heads to the Far West in 1973, for only the second time in its 43-year history, the home-steaders of the Pacific Coast intend to stake out a large share of the honors, perhaps even winning the big prize itself.

No team west of the State of Oklahoma ever has won the championship. But Oregon State, a consistent contender in recent seasons, and Washington, the 1973 host, have definite designs on the trophy.

However, at least until the whistle blows, they must only be regarded as challengers, rather than favorites. The mats have been ruled by the powers of the Midlands for two decades, and the same old storms are brewing over the Great Plains for this season.

IOWA STATE, A RUNAWAY CHAMPION LAST SPRING, has won three of the last four tournaments and—despite the loss of three of its big guns—will serve as a satisfactory favorite until someone can prove differently. The Cyclones arrive at the national tournament after weathering the test of the nation's toughest conference.

The Big Eight Conference has produced 18 of the last 19 NCAA team champions and all but five of the 42 crowned, if you count Oklahoma State's performance before it became a league member.

And it's difficult, to say the least, to discount Oklahoma State and Oklahoma in any assessment of national wrestling strength. The record speaks for itself.

No name is more respected among writers in amateur wrestling than Bob Dellinger, who has won just about every award ever given for the sport.

Dellinger won the Amateur Wrestling News writer-of-the-year award the first three years it was given, so the trophy was retired and the new one was named after him.

He was awarded the FILA cross in 1967 and was inducted by the Helms Hall of Fame in 1972, in each case the first newspaperman to be so honored.

The University of Kansas grad has also served as advisor to the NCAA Rules Committee and is an authority on international-style pairings.

THE TOP CHALLENGER, however, may not come either from the West or the Big Eight. Michigan State, the 1972 runner-up, returns two of its three national champions and much of the balance which is proving of great importance under the expanded consolation system.

Each of the major contenders has definite strengths and definite weaknesses. The winner will be the team which can fill the gaps and pre-

sent a solid front in conference qualifying and the national tournament.

At a long-range look, the field appears to be the most closely bunched in years. While these six schools seem to have the edge, there are plenty of foes eager to challenge them.

Penn State has the class to regain its supremacy in the East, although Navy and Lehigh are building young teams into potential challengers.

Michigan State will be pressed, perhaps, in its own conference by Michigan and Iowa, while Ohio University is another Midlands threat.

The Southwest has a rising power in Arizona, and the Northwest offers a similar dark horse in Idaho State. And Portland State's team always is heard from when tournament time rolls around.

PERENNIAL COLLEGE DIVISION CHAMPION Cal Poly (San Luis Obispo) likely will rank with the best of them during the regular season. But College teams are not now eligible for the University team title, so Cal Poly will have to be content with a strong "unofficial" showing and perhaps a big say in determining the "official" winner.

Such was the role of little Clarion State last spring, when it won two individual titles and scored enough unofficial points to place sixth among the major teams.

So, with such a wide-open field, where do you look for the new champion? The best place to start is with a look at the old champion.

Right away, you see three big gaps in the Iowa State lineup, left by the graduation of two-time kings Carl Adams at 158 and Ben Peterson at 190 and three-time medalist Phil Parker at 134.

But the Cyclones return one champ, a runner-up and two other placers.

THE BIG REASON YOU CAN BE SERIOUS ABOUT IOWA STATE is the BIG man, 400-pound heavyweight champ Chris Taylor. He has considerable skills to go with his awesome bulk.

Other seniors are Keith Abens, second at 167 pounds; and Bill Fjetland, fifth at 126. Rich Binek, third at 177, is a junior.

Helping ease the loss of Peterson is red-shirt sophomore Al Nacin, who was runner-up in the 1971 tournament at 177 pounds.

The Cyclones are vulnerable—at least by national standards—in the lighter weights and up the middle. But coach Harold Nichols is known for bringing "sleepers" out of the wrestling room and he has recruited an outstanding crop of high school champions.

Foremost among the incoming prep stars are 167-pound Tom Jean, a three-time Minnesota state champ whose older brother, Chuck, won two NCAA titles at I-State; Dave Musselman, a triple Iowa champ, whose credentials at 134 or 142 include a 98-6-2 record; and Doak Medchill, a 150-pound Wisconsin product with a 119-6-1 record.

MICHIGAN STATE WILL HAVE A FIGHT ON ITS HANDS to remain among the elite, but the Spartans have the ammunition.

Three-time 118-pound champion Greg Johnson is gone, but the Milkovich brothers provide a strong nucleus on which to rebuild.

Pat Milkovich, 126, became the first freshman in 25 years to annex a title last spring. He was named national freshman of the year.

Half an hour after he scaled the championship heights, he was joined on that plateau by 142-pound brother Tom, who will be a senior this season and will shoot for his fourth Big Ten Conference championship.

Four other regulars return, headed by 190-pound Dave Ciolek, fourth in 1971 but was slowed by injuries last year. There's experience on hand

BLOOD FLOWING from his mouth, Ashland's Jim Guizzotti, 1971 college division titlist at 142 pounds, struggles gamely against Ohio U. matman Greg Morgan. The gutsy Guizzotti scored a 4-3 victory in this eventful encounter.

in Conrad Calander at 134, Mark Malley at 150 and Bruce Zindel at 167.

Lon Hicks has experience, too, at 118 but he'll be pressed by rookie Randy Miller, a former Michigan prep champ.

Coach Grady Peninger's biggest problem will be replacing fourth place medalists Rick Radman at 158 and Gerald Malacek at 167, along with heavyweight Ben Lewis, fifth in 1971.

"THE GUYS KNOW THEY WILL HAVE TO WORK EXTRA HARD to stay at the top," says Peninger, "and I expect this will be to our benefit. We have a strong contingent of talented and experienced men to fill the gaps."

Optimism is the keynote at Oregon State, where even the usually pessimistic coach, Dale Thomas, is swept up in the enthusiasm. "For the first time, I think we have the guns to go after the championship," he says.

A quick glance at the lineup shows why. The Beavers will have national medalists in half of the 10 positions.

TWO HAVE BEEN NATIONAL RUNNERS-UP, 158-pounder Mike R. Jones in 1971 and 177-pounder Jim Crumley in 1970. Crumley was fifth a year later, then missed the entire 1972 season because of injury and illness.

Also returning are Tom Phillips, fifth at 118; Greg Strobel, fifth at 190; and Jim Hagen, sixth at heavyweight.

The Beavers lose only two members of last year's squad, which shared the Pacific-8 title with Washington and placed sixth nationally. Ironically, the two lost are the coach's sons, Steve and Ken Thomas.

Oregon State has experience and depth at every weight, with 18 lettermen returning, and Thomas highly regards his incoming freshman crop.

Helms Foundation Amateur Wrestling Hall Of Fame

The Amateur Wrestling Hall of Fame was established by the Helms Athletic Foundation of Los Angeles in 1957 with an original selection of five wrestlers, nine coaches and one contributor.

Since 1957 annual elections to the Hall of Fame have been held. With the announcement of five additions for 1972, the total number to be honored for their outstanding contributions to the sport is now 129, including 56 wrestlers, 52 coaches and 21 contributors.

Elections to the Amateur Wrestling Hall of Fame are made by the Helms Hall Board as a result of recommendations made by the Amateur Wrestling Hall of Fame Committee, headed by Jess Hoke of Amateur Wrestling News.

A permanent trophy for amateur wrestling is maintained in Helms Hall and members of the Hall of Fame whose names are inscribed thereon are as follows:

Heading the prep list is 150-pound Oregon champ Mike Palmer.

Washington also loses only two regulars, but they are big ones.

Larry Owings, who skyrocketed into the national spotlight in 1970 with his epic victory over Dan Gable in the NCAA finals, has wrapped up a brilliant 84-4 career. Also gone is 158-pounder Don Pleasant, fifth in 1971 but injured in last season's tournament.

But national champion Bill Murdock is back at 177 and there are two other medalists in Hajime Shinjo, third at 150, and Jim Woods, sixth at 167. The Huskies have a couple of good little men in Mike Downer and Brad Jacot, at 118 and 126 or the reverse. Coach Jim Smith's problem will be balance. Can he develop enough front-line strength in the other weights to support Murdock and Shinjo for national honors?

A prime hopeful is freshman Tom Brown, a Washington prep champion.

Red-shirts Pat McMahon, Mark Brown and Bill Allen could help.

Oklahoma State, which has won 27 of 42 NCAA crowns, had to rebuild last year after losing the bulk of its 1971 team. The Cowboys managed a Big Eight championship and a third place finish in the national tournament.

AND, THE TWO LITTLE MEN COUNTED ON to lead O-State's attack, didn't produce a point in the NCAA meet. Ron Thrasher was sidelined almost all season by illness and couldn't make 118 for the conference meet. Defending NCAA champ Yoshiro Fujita at 126 was sidelined by a heartbreaking injury in his first bout of the national tournament.

The Cowboys did produce five medalists, but three of them are gone—Mike Riley, third at 134; Jay Arneson, second and fourth at 150; and Harry Geris, third at heavyweight.

Top returnees are 142-pound senior Bobby Stites, who placed fourth; and 158-pound soph Alan Albright, third. Albright was the only freshman other than Pat Milkovch of Michigan State to place in the 1972 meet.

Two Cowboys who failed to place in the national meet but performed creditably during the season bolster O-State hopes. Dan Strode, 177-pound senior, posted victories over Murdock of Washington and Binek of Iowa State. Rick Jones had a good freshman year at 190.

COACH TOM CHESBRO HAS SOME RETURNING SQUADMEN who figure in 1973 plans, but will have to get some help from junior college transfers and incoming freshmen to present a solid lineup.

Sophomore Berney Gonzales at 126, senior Dave Domnick at 142 and senior Clem DeLane at 167 are prospects. Stites could drop to 134 pounds and Albright to 150 if it would help.

National juco champs, Everett Gomez at 118 and Dave Graves at heavyweight could plug two big gaps. Both are home-grown Oklahoma products.

Also bolstering the lower weights will be a pair of four-time Virginia prep champions, Scott Conkwright at 118 and Bill Martin Jr.—son of the

famous Granby High School coach—at 126.

Other top recruits are Chuck Barrier of Iowa at 150, Dwight Cartwright of New York at 167, Mark Tiffany of Illinois at 177, 280-pound Oklahoman Chris Lancaster and California juco champion (190) Tom Hazel.

Oklahoma has a new coach, but there won't be much change in the Sooner prowess which included a fifth-place finish last season.

Tommy Evans, an accomplished pilot, stepped out of the coaching job to pursue a flying career and was replaced by his first national champion, Stan Abel, moving from Cincinnati.

Abel will follow the OU pattern of producing strong attacks from standing position and aggressive mat work.

HE'LL WELCOME BACK NATIONAL MEDALISTS in junior Gary Breece, third and second at 118; junior Eddie Webb, third at 126; and senior Warren Reid, fifth at 177. Also, there's soph Jeff Callard, who won the Big Eight title with an upset of Iowa State's Adams, but didn't place in the NCAA.

Bill Beakley, sixth at 150, and two-time medalist Tom Corbin at 167 are among the four regulars lost. Abel started his rebuilding program by recruiting five Oklahoma state high school champions.

Top on the prep list are 118-pound Steve Breece, the fourth brother on the squad; and 150-pound Rod Kilgore, a three-time Oklahoma champ. The Sooners need to do some repair work on the heavy end of the lineup to become contenders, but several returning squadmen should help.

Penn State enters the season with a string of 37 dual meet victories, but the Lions have lost two-time national champion Andy Matter at 167 pounds and 1971 heavyweight runner-up Dave Joyner.

THE REST OF THE LINEUP IS PRETTY WELL INTACT, giving coach Bill Koll the balance which should regain the Eastern title.

Top hands are 118-pound sophomore Tom Teagarden, 134-pound junior Bob Medina and unbeaten heavyweight Ira Lubert, who was knocked out of the tourney lineup by Joyner. The Lions don't appear to have the superstars to challenge for the national championship.

Color the Navy green. The Midshipmen lost NCAA medalists Tom Schuler, second and fourth at 118, and Lloyd Keaser, fourth and third at 142, along with three other regulars.

Top returnee is 150-pound senior Ross Chaffin, backed by senior Fred Hahndorf at 126 and juniors Bob Hartman at 158 and John Christensen at 167. Strong freshman teams of the past two years should help coach Ed Peery's development program.

LEHIGH COACH THAD TURNER is looking at several prime high school products to help his young team get away. They include Mike Frick of New Jersey, Tihamer Toth-Fejel of California, and Pennsylvanians Dan Santoro, George Myers and George Barkanic.

Returning lettermen are headed by sophomore Terry DeStito at 167, Greg Karabin at 158 and Tom Sculley at 134, but the Engineers may start as many as five frosh.

Pitt also will be inexperienced, despite the return of Kevin Love at 150, John Chatman at 158 and Craig Tritch at 190.

Maryland will shoot for its 20th straight Atlantic Coast Conference title with a veteran squad headed by John Ferrara at 118, George Myers at 158, Rich Ragan at 177 and Pat McCall at 190.

In the Big Ten, look for the top challenge to Michigan State to come from Iowa, which returns sixth place medalists Dan Sherman at 118 and Jan

ALL WRAPPED UP—Big Eight foes Warren Reid of Oklahoma (top) and Dan Strode of Oklahoma State tangle in conference 177-pound semifinals. Reid stayed on top for 3-1 triumph, and later placed fifth in national championships.

Sanderson at 158, and Michigan, led by 150-pound junior Jarrett Hubbard, fourth in 1971 and runner-up last year.

Minnesota returns only three regulars, but they include 177-pound runner-up John Panning and 126-pounder Jeff Lamphere, sixth.

Ohio U. has third place Barry Reighard back for his senior year at 190.

ARIZONA REBUILDS AROUND TWO MEDALISTS, third place Dale Brumit at 118 and fourth place Albert Sye at 177.

A fifth national champion—not among the team contenders—returns this season after all but stealing the show last year. Wade Schalles of Clarion State, who pinned four opponents at 150 pounds, was named the outstanding wrestler. But like Cal Poly's, Clarion's points don't count.

With six of its veteran campaigners coming into senior seasons, Cal Poly appears well geared to capture its sixth straight College Division crown and seventh in eight years.

The Mustangs have a University medalist in Larry Morgan, fifth at 134, and six other performers who have won College Division medals, headed by 142-pound champion Glenn Anderson. Morgan and Anderson probably will move up this year, with junior Mike Wassum going at 134.

GARY McBRIDE, 1971 CD CHAMP, is back at 118, and coach Vaughan Hitchcock's lineup finishes strong with Allyn Cooke at 158, Pat Farnar at 167 and Keith Leland at 190. Frosh Cecil Thompson could help at 177.

One note of interest, although it will have no bearing on the tournament, is the revival of wrestling at Central State in Oklahoma after a hiatus of more than three decades. The Bronchos tied for second in the NCAA back in 1936, winning two individual titles, and hope to rebuild a program to compete with Oklahoma State and Oklahoma.

1979 NATIONAL CHAMPIONS: L-R, front-Johnson (Mich. State), Barton (Clarion St.), T. Milkovich (Mich. State), Schalles (Clarion St.); back-Taylor (Iowa State), Peterson (Iowa State), Murdock (Washington), Matter (Penn State), Adams (Iowa State).

NATIONAL COLLEGIATE CHAMPIONSHIPS

Record-Setting Crowds See Cyclones Run Away With Tourney's Team Title

By JIM JACKSON

Sports Writer, The Baltimore Sun

The 42nd annual national collegiate wrestling championships held March 9-11 at spacious Cole Field House in College Park, Maryland, were of record-breaking proportions.

Iowa State, a darkhorse before the tourney began, captured the team title, barely missing the record point total it set several years ago, but the money and crowd figures broke every record around.

The extravaganza, likened to an eight-ring circus by Sully Krouse, the chairman of the event for the University of Maryland, drew 9,200 for the first two sessions on Thursday, 12,800 for Friday's two sessions and 19,500 for Saturday's action.

For the evening session on Saturday 12,300 fans jammed their way into Cole Field. It was a record for a single session and also the largest crowd to ever watch an amateur wrestling event in the United States.

THE TOTAL CROWD OF 42,500 for the three-day affair was also an NCAA mark and the big tournament grossed well over \$100,000, also a record.

Before the big event got under way, Krouse said that this would be the "greatest tournament ever staged," and when it was all over there weren't many people who didn't agree with him.

Oklahoma State, which had captured the title in 1971, came into the tourney as the favorite, but the Cowboys ran into unexpected trouble.

When the smoke had cleared on Saturday night, the Cyclones from Iowa State had scored 103 team points to whip second-place finisher Michigan State by more than 30 points.

Iowa State, in addition to capturing the team title, had three individual champions in Carl Adams

Jim Jackson, 11-year veteran of the Baltimore Sun, graduated from Rider College in 1953.

After two years in Korea, he worked with television news and for three weekly and one daily newspaper before joining the Sun staff.

Jackson's "beat" is currently the U. S. Naval Academy, where he reports football, wrestling, basketball, baseball and lacrosse. He's covered just about everything around the Chesapeake Bay area in his tenure there.

The Princeton, N.J., native is married and the father of nine children, seven boys and two girls, ranging in age from 16 to 4 years old.

at 158 pounds, Ben Peterson at 190 and heavyweight Chris Taylor, who was the sensation of the tournament.

TAYLOR, A 400-PLUS behemoth, was unbeaten coming into the meet and stormed to the crown in the heavyweight class.

The big youngster, who is quick and agile for his size, thumped defending champion Greg Wojciechowski of Toledo, 6-1, for the title.

Taylor, whose coach

Harold Nichols termed him "one of the best heavyweights I have ever seen," said that the national title was his greatest thrill.

Adams and Peterson both won their second straight titles. Adams topped Jan Sanderson of Iowa in the semifinals and then won a thriller over Oklahoma State's Alan Albright, 9-6, for the 158-pound crown.

PETERSON, THE STRONGMAN WHO LOOKS LIKE he could be a heavyweight, breezed through his first two rounds. He had a little trouble in the semifinals with Kelly Bledsoe, of Portland State, but prevailed, 5-1, and then met unheralded Emil Deliere of Princeton in the final.

Big Ben slammed Deliere to the mat early in the opening period of their bout and the Tiger asked for time out. When he returned, Peterson bloodied Deliere's lip and his injured shoulder gave him so much trouble that he couldn't continue.

Peterson was awarded the title at 1:53 on a default.

In addition to the three titles, the Cyclones also took a third place, or consolation title, when 177 pounder Rich Binek, moved up through the repechage to gain extra points for his team.

Binek pinned Albert Sye, of Arizona, in 1:07 to take third place.

MICHIGAN STATE, WHICH TOOK SECOND PLACE with 72½ points, had three champions and two of them were the Milkovich brothers, Pat and Tom.

For the Spartans, Greg Johnson successfully defended his 118-pound crown. The smallest man in the tourney breezed to victory.

In the opening round he disposed of Kelly Bast of Drake, 8-2, and then crushed Andy Burge of Southern Illinois, 15-5 in the quarterfinals. Tom Phillips of Oregon State was next, bowing 17-3 to Johnson, who then handled Oklahoma's Gary Breece, 9 to 5, in the final.

AFRAID TO LOOK—Maybe Michigan's Jarrett Hubbard (left) senses what is to occur as he and Wade Schalles of Clarion State stalk each other in 150-pound title match. Schalles was named tournament most valuable after pinning Hubbard in 3:52.

WATCH WHERE YOU'RE GOING—Andy Matter of Penn State keeps a cautious eye on advances by Iowa State's Keith Abens in 167-pound championship match. Matter successfully defended his title, posting a 6-2 win.

The Milkovichs were the first brother act to win titles since the Kellers of Oklahoma State did it two years ago.

Pat, a freshman, took the 126-pound title and older brother Tom, a junior, won at 142. The Milkoviches are sons of a high school wrestling coach from the Cleveland area.

Pat, who was the first freshman to win an NCAA wrestling title since 1947, thumped Eddie Webb, of Oklahoma, 11-4, in the preliminaries and disposed of Dan Monroe, of East Carolina, 12-4, in the second round.

IN THE QUARTERFINALS, HE HAD HIS TOUGHEST TEST of the tourney. He was up against Navy's Fred Hahnderf and won a 2-1 decision on riding time. The win was hotly contested by Navy skipper Ed Peery, but it stood and Pat moved into the semifinals.

In the semifinals he easily beat Jeff Lamphere, of Minnesota, 15-2 and then built up an early lead and coasted to the crown, beating Illinois State's Chris Quigley, 4-2, in the final.

Tom wasn't given much of a shot at winning the 142-pound crown, but he surprised everyone. He defeated Glenn Anderson of Cal Poly, 8-3, and moved into the semifinals against Navy's Lloyd Keaser, who was unbeaten during dual meets and had finished third a year before.

KEASER, WHO GREW UP NEAR COLLEGE PARK, appeared in command, holding a 2-1 lead with less than a minute to wrestle.

Near the edge of the mat Keaser relaxed for a moment before the referee blew his whistle and quick Milkovich grabbed his legs, took him down with 14 seconds left, and won the bout, 3-2.

But even after his big win over Keaser, no one really gave him much of a shot at the title. Because Larry Owings, the supposedly unbeatable wrestler from Washington, loomed big on the horizon.

No one scored a point in the opening round, but with Milkovich on top as the second period began, Owings scored an escape for a 1-0 lead. One

minute later Milkovich scored a takedown for a 2-1 edge and that's the way the second period ended.

Milkovich grabbed a 4-1 lead on a reverse in the final period, but Owings rallied with an escape and takedown for a 4-4 tie with 1:25 left.

Milkovich then escaped and took down Owings for a 7-4 lead with 25 seconds left and added a point riding time for an 8-4 victory.

Unheralded Clarion State, from the coal mining region of Pennsylvania, was the only other team to win more than one individual crown. Gary Barton and Wade Schalles grabbed titles at 134 and 150 pounds.

IN THE 134-POUND QUARTERFINALS, Barton whipped Joe Boone, of Oklahoma, 8-5, and edged Oklahoma State's Mike Riley, 5-3, in the semifinals.

Iowa State's Phil Parker was Barton's opponent in the final, and it looked like the youngster from Pennsylvania was overmatched.

The slick Parker raced to a 5-0 lead early in the second period, but with thousands of his home staters rooting him on, Barton began to rally in the final two minutes of the second period.

With 1:45 left in the period, Barton scored a takedown and then, with a grapevine and cradle, he scored three more points for a near fall and a 5-5 deadlock at the period's conclusion.

With Parker on top as the final period began, Barton, scored a reverse for a 7-5 lead and held Parker long enough to build up a 1:01 time advantage which negated Parker's escape in the final seconds.

THE OTHER CLARION STATER, Schalles, was awarded the Outstanding Wrestler award for his efforts in the 150-pound class.

In all he scored four falls in his five tourney bouts and "I would have had five if that other guy hadn't stalled," the cocky youngster said.

Schalles started his title quest by putting away John Zenith of UCLA in 59 seconds. He then handled Bob Tscholl of Ohio U., 8-3, and pinned Clyde Smith of Northwestern in 5:29 in the quarterfinals.

In the semifinals he put away highly touted Jay Arneson of Oklahoma State at 6:34 and then won the crown by pinning Jarrett Hubbard of Michigan who had beat Washington's Hajime Shinjo, 12-7, in the other semi.

REFLECTING THE STRAIN of the struggle, Washington's Larry Owings holds off Tom Milkovich of Michigan State in 142-pound finals. Milkovich became third Spartan to win a 1972 national championship, prevailing 8-4 over Husky great.

Against Hubbard, Schalles couldn't score in the first period. But in the second period he scored a reverse, then get Hubbard in a predicament for a 4-0 advantage. Hubbard escaped, but Schalles retaliated with a takedown and showed him the lights with 1:08 left in the period.

The other two individual winners were Andy Matter of Penn State who successfully defended his 167-pound title and Bill Murdock of Washington who took the 177 pound diadem.

Matter disposed of Doug Wyn of Western Michigan, 7-4, in the semi-finals. In the final he faced Keith Abens of Iowa State.

MATTER GRABBED A QUICK 2-0 LEAD ON A TAKEDOWN at 55 seconds of the initial period, but Abens scored a reverse to tie. Matter escaped for a 3-2 lead at the period's completion.

Andy rode Abens for the entire second period building up a good time advantage and escaped early in the third period for a 4-2 lead. He was awarded a point when Abens stalled and ended with a 6-2 victory.

Murdock came out of the pack to win the 177 pound title. He edged Warren Reid, of Oklahoma, 2-1, to gain the final.

John Panning of Minnesota, who had scored four straight falls, was Murdock's opponent in the 177-pound title clash. Murdock scored a takedown for a 2-0 first period lead, but Panning cut the gap to one point when he was awarded a point for an illegal hold by Murdock.

MURDOCK DID EVERYTHING BUT PIN HIS MAN in the third period, scoring a reverse, predicament and near fall, to win a 10-1 decision.

Oklahoma State, which was given a good chance of repeating as national champion, suffered a stunning blow in the opening session.

Defending 126-pound champion Yoshiro Fujita, who was supposed to easily win his second straight crown, was slammed hard to the mat in his bout with Howard Fox of Cincinnati in the opening period.

Fujita suffered a severe shoulder separation and had to default. The Cowboys seemed to lose something after that.

COLLEGE DIVISION CHAMPIONSHIPS

Mustangs Become Six-Time Champs As Favorites Shine In Battle Of Oswego

By DONALD J. MCGANN

Sports Editor, The Oswego (N.Y.) Palladium-Times

Those kings of West Coast wrestling from California State Polytechnic College at San Luis Obispo regally extended their reign over the NCAA's college division by winning the title for the fifth consecutive year, making it six crowns in the last seven seasons.

Coach Vaughan Hitchcock's lineup of homegrown Mustangs, who have won over 100 straight dual meets in the Golden State against all comers, set the tone for the tenth annual tournament held March 3-4 at Oswego State College in New York.

The Mustangs were favored to win, and did, as did most of the individual favorites. Top-seeded wrestlers followed pre-tourney form by wrestling to first or second places in eight of the ten weight classes.

THE OLD LAKE ONTARIO PORT OF OSWEGO was host for the largest field in the history of the meet. A total of 452 wrestlers from 107 colleges and universities made their weights. They came from every section of the country and in every size.

The smallest was probably South Dakota State's 1970 118-pound runner-up, Stan Opp, a 5-4, 105-pound campaigner. Largest was certainly Cleveland State's giant freshman Chuck Erhart, who was 6-8, 340 pounds, 17 years old and still growing at tourney time.

After that battalion started wrestling on ten mats under the supervision of Oswego Coach Jim Howard, the meet manager, local historians decided it was the biggest battle in Oswego since 1757 when the Marquis de Montcalm routed three British regiments and claimed the Great Lakes championship for Louis XVI.

Don McGann beat the deadline one summer morning in 1932 on his first story for the Palladium Times, and he hasn't missed one yet.

The veteran newsman has served as sports editor for 20 years.

Until the recent increase of sports activity in Oswego made greater demands on his time, McGann used to make regular swings around the picturesque port city on police, courthouse and fire beats.

Sports is an avocation as well for the genial Irishman, who begins his 30th year as director of a 30-team recreational city basketball league, which he founded.

The demanding schedule, however, may have taken an energy toll. A final session crowd estimated at 4,800 failed to see any championship decided by a fall.

THE CHAMPIONSHIP BOUTS, which represented the sixth match in a 32-hour span for some finalists, were wrestled cautiously.

Action in the finals was subdued by comparison with earlier matches in the huge tourney which had opened with 64-place brackets in each class.

Ironically, all that wrestling still failed to produce a clearcut pretender to Cal Poly's throne as second place ended in a dead heat between North Dakota State and Northern Iowa. Slippery Rock was fourth, but its cheerleaders were first in the hearts of the fans after those comely mat maidens strung up the biggest sign in colorful, banner-draped Laker Hall—a double bedsheet which shouted: "Yes, there is a Slippery Rock!" The rest of the top ten included Clarion State, Wilkes, Seattle Pacific, Northern Colorado, Franklin & Marshall, and Western Illinois.

THE LITTLE GUYS GAVE THE CROWDS some of the biggest upsets. Brockport State's fifth-seeded swifty Bruce Biondi met top-seeded defending 118-pound champ Gary McBride of Cal Poly in a semifinal. Biondi exploded with a second period flurry, stretching his 2-1 lead to 9-1, and finally getting a 13-3 decision. In the championship, Biondi ran up a 7-1 lead on San Francisco State's Ray Hernandez en route to winning, 8-3. Hernandez reached the finals by upsetting second-seeded Opp in a semi, 12-3.

The 126 final pitted top-seeded defending champ Chris (Beefy) Black of Franklin & Marshall against second-seeded Sam Myers of Seattle Pacific, who had been fourth in 1970. Black won, 12-3. Black's biggest challenge had come in a quarterfinal bout where Fullerton State's eighth-seeded Harold Wiley took the champ into overtime before bowing, 1-0.

Second-seeded 134-pounder Rod Irwin of Slippery Rock took the title after a series of one-point decisions including a 4-3 finals victory against top-seeded Larry Morgan of Cal Poly, the 1970 runner-up. Irwin also had one-point wins in his first round and semifinal bouts. In the finals, Morgan led 3-0, until Irwin rallied and went ahead with 31 seconds left.

THE 142 FINAL FOLLOWED FORM with top-seeded Glenn Anderson of Cal Poly scoring a 3-2 decision against second-seeded Tom Cox of Slippery Rock, who was also runnerup in 1970.

Clarion's Wade Schalles stormed through the 150-pound class which had been vacated by 1970 champ Stan Dziejdzic of Slippery Rock who moved up to 158. The top-seeded Schalles pinned five foes in an aggregate time of 10:53 before scoring a 14-3 decision against third-seeded Mike Engles of South Dakota. Schalles, who twice pinned foes in less than 58 seconds, was named the outstanding wrestler in the meet.

In the 158 title match, top-seeded Dziejdzic and Mankato's second-seeded Mike Medchill gave the crowd a match which resembled their 150 final in 1970 when Dziejdzic won, 7-0. This time it was 6-1.

F & M's top-seeded John Stevenson wrapped up his successful defense of the 167 title with a 6-3 decision against Northern Michigan's third-seeded Don Dixon who reached the finals after scoring a 3-1 semifinal victory against Clarion's second-seeded Bill Simpson.

TOP-SEEDED BILL DEMARAY of North Dakota State repeated at 177 when he scored a 9-3 decision over Northern Colorado's Dave Alexander.

Second-seeded Fletcher Carr of Tampa won the 190 title, vacated by 1970 winner Bob Backlund of North Dakota State, by scoring a 6-3 decision in the finals against Northern Iowa's top-seeded Joe Hatchett. Backlund moved up to heavyweight where he finished fifth in the class dominated by second-seeded Mike McCready of Northern Iowa.

McCready beat finalist Jim Woods of Western Illinois, 4-0, after Woods scored a 5-0 semifinal win against Cortland's Len Schlacter. Schlacter had scored one of the tourney's most stunning upsets when he pinned Wilkes' top-seeded Al Arnould at 7:42 of their second round bout.

Rule 1

A MATCH, WRESTLERS, UNIFORMS & EQUIPMENT

A Match

SECTION 1. A match shall be conducted in each of the ten weight classifications [12 for High Schools] between wrestlers of the same weight class. Matches shall be eight minutes [six for High Schools] in length divided into three periods.

Representation SECTION 2. An institution shall be represented by only one wrestler in each weight class and no substitution is allowed for injured wrestlers in dual meets or tournaments.

Team Captains SECTION 3. Each team shall designate to the Referee one contestant as its Captain, who shall call the coin toss for choice of position for each weight class at start of second period.

Persons Subject To the Rules SECTION 4. All wrestlers, coaches, trainers, and other persons affiliated with the teams are subject to the rules and shall be governed by the decisions of the officials.

Mats

Dimensions SECTION 5. The wrestling area of the mat shall not be less than a square 24 feet by 24 feet or a circular area 28 feet in diameter. A larger wrestling area is recommended. There shall be a mat area of at least five feet in

RECOMMENDED MAT SIZES

Minimum mat size provides for a circle with a diameter of 28 feet as a legal wrestling area or a 24-foot square wrestling area with a mat area of at least five feet in width which extends around the wrestling area proper.

width which extends entirely around the wrestling area. The entire mat area shall be the same thickness which shall not be more than four inches nor less than the thickness of a mat which has shock absorbing qualities of a two-inch thick hair felt mat.

If a mat cover is used, it is recommended that it be sufficiently large to cover the mat proper and all supplementary mats, or laced underneath the mats. The wrestling area shall be marked on the mat cover or mat by painted lines two inches in width. At the center of the mat there shall be similarly painted a circle 10 feet in diameter, and it is recommended a different color be used than that for the boundary line. An area on the opposite sides of the 10-foot circle shall be designated by means of a 12-inch portion of the circle's arc on one side in green and directly opposite a similar portion of the arc in red. Contestants in starting the match and resuming wrestling in a neutral position will return to their respective designated areas. (Home—green, Visitor—red.)

Starting Lines

SECTION 6. There shall be placed at the center of the cover or mat, two one-inch *starting lines*, one of which lies in the diameter of the 10-foot circle, three feet in length and 10 inches apart. (See diagram above.)

Wrestlers

Limitations SECTION 7. No contestant shall be permitted to represent his institution in more than one weight class in any meet.

Forfeits SECTION 8. A contestant may not accept a forfeit in one weight class and compete in another class.

Shift Weight Class SECTION 9. A contestant who weighs in for one weight may be shifted to a higher weight class. (See High School Modification, Rule 3, Sec. 3, Note 3.)

Uniforms and Equipment

- Uniforms** SECTION 10. The uniform shall consist of:
- a. Full length tights, close fitting outside short trunks, and sleeveless shirt without fasteners at the shoulder and fastened down at the crotch. Shirts shall not be cut away in excess of the shirt illustrated in Figs. 1 and 2 (picture of legal shirt, back and front view). The front and back of the shirt shall not be cut lower than the level of the armpit and under the arms the shirt shall not be cut lower than one-half the distance between the armpit and the belt line. Properly cut one-piece uniform is legal only when worn with full length tights. No wrestler shall lower his shoulder straps in the presence of spectators. Failure to comply shall be enforced under unsportsmanlike conduct.
 - b. Light heelless gymnasium shoes reaching above the ankle and laced by means of eyelets.
 - c. A protective headgear.
 - d. In all tournaments, the home management shall have immedi-

ately available some means for clearly identifying the contestants. Such provisions may consist of red and green anklets approximately three inches wide.

Appearance SECTION 11. Contestants shall be clean-shaven, free of mustaches, sideburns trimmed no lower than ear lobe level and hair trimmed and well groomed. Because of the body contact involved, this rule has been approved in the interests of health, sanitary and safety measures. The hair in the back shall not extend below the top of an ordinary shirt collar and on the sides the hair shall not extend below ear lobe level.

Special Equipment SECTION 12. Any mechanical device which does not allow normal movement of the joints and prevents one's opponent from applying normal holds, shall be barred. Any legal device which is hard and abrasive, must be covered and padded. Artificial limbs and loose pads are prohibited. The use of special medication during a match or time-out because of a pre-existent condition such as asthma, diabetes, etc., shall result in disqualification.

Enforcement SECTION 13. a. The legality of all equipment (mat markings, uniforms, headgear, devices, pads, etc.) and contestant's appearance shall be decided by the Referee.

b. The Referee shall also determine whether each contestant has complied with specified health, sanitary and safety measures as to appearance. These shall constitute the sole reasons for disqualification, and application of this rule shall not be arbitrary or capricious.

Rule 2

DEFINITIONS

Decisions SECTION 1. If no fall has resulted after expiration of the three regular periods of any match as provided in Rule 4, Sec. 3, the Referee shall award the match to the contestant who has scored the greater number of points as provided by the point system in Rule 5, Sec. 2. If there is a tie in the number of points scored, the Referee shall declare the match a draw in dual meets. (See Rule 4, Sec. 5b for tournaments.)

Default SECTION 2. A default is awarded in a match when one of the wrestlers is unable to continue wrestling for any reason. (See Rule 4, Sec. 10.)

Disqualification SECTION 3. Disqualification is a situation in which a contestant is banned from participation in accordance with the Penalty Chart.

Escape SECTION 4. An escape occurs when the defensive wrestler gains a neutral position while the supporting points of either wrestler are within the wrestling area.

Fall SECTION 5. Any part of both shoulders or area of both scapulas held in contact with the mat for one second constitutes a fall. The one-second count (one-thousand-and-one) shall be a silent count by the Referee and shall start only after the Referee is in such position that he can observe that a fall is imminent after which the shoulders or scapula area must be held in continuous contact with the mat in-bounds for one second before a fall is awarded. See figure 12.)

- a. A fall shall not be awarded when one or both shoulders of the defensive wrestler are out-of-bounds. (See Sec. 8 this rule.)
- b. If either wrestler is handicapped by having any portion of his body out-of-bounds, no fall shall be awarded and out-of-bounds shall be declared.
- c. When the match is stopped for out-of-bounds in a fall situation, the match shall be resumed in the starting position on the mat. (See Secs. 11 and 14 this rule.)

HIGH SCHOOL MODIFICATION

Two seconds constitutes a fall. The two-second count (one-thousand-and-one, one-thousand-and-two) shall be a silent count by the Referee.

Forfeit

SECTION 6. A forfeit is received by a wrestler when his opponent, for any reason, fails to appear for the match. In order to receive a forfeit, a wrestler must be dressed in wrestling uniform and appear on the mat. (See Rule 3, Sec. 7 and Rule 4, Sec. 9c.)

Neutral Position

SECTION 7. A neutral position is one in which neither wrestler has control.

Out-of-Bounds

SECTION 8. Contestants are considered in-bounds if the supporting parts of either wrestler are inside the boundary lines. A wrestler's supporting points are the parts of the body touching the mat which bear the wrestlers weight, other than those parts which he is holding his opponent. When down on the mat, the usual points of support are the knees, the side of the thigh and the buttocks. Wrestling shall continue as long as the supporting parts of either wrestler remain in-bounds, however, near-fall points or a fall may be earned only while the shoulder(s) of defensive wrestler are in-bounds.

Position of Advantage

SECTION 9. A position of advantage is a position in which a contestant is in control and maintaining restraining power over his opponent.

Control is the determining factor. The failure of the offensive wrestler to get his head out from the defensive wrestler's arm does not necessarily prevent the offensive wrestler from having control. The offensive wrestler is entitled to this advantage until such time as his opponent gains a neutral position or a reversal. (See Secs. 4, 7, 8 and 12 this rule.)

Near-Fall SECTION 10. a. A near-fall is a position in which the offensive wrestler has control of his opponent in a pinning situation with:

- (1) Both shoulders of the defensive wrestler held momentarily (stopped) within 4 inches of the mat or less, or when one shoulder of the defensive wrestler is touching the mat and the other shoulder is held at an angle of 45 degrees or less with the mat. Two points shall be awarded for such near-fall situations. A continuous roll-through is not to be considered a near-fall.
 - (2) The criteria for a near-fall having been met uninterrupted for five seconds, three points shall be awarded. A visual hand count is to be used in determining a three-point near-fall.
- b. A near-fall is ended when the defensive wrestler gets out of a pinning situation. The Referee must not signal the score for a near-fall until the situation is ended and only one near-fall shall be scored in each pinning situation regardless of the number of times the offensive wrestler places the defensive wrestler in a near-fall position during the pinning situation.

Only the wrestler with the advantage, who has his opponent in a pinning situation, may score a near-fall. Bridgebacks in body scissors or bridgeovers with a wristlock are not considered near-fall situations even though a fall may be scored.

When the defensive wrestler places himself in a precarious situation during an attempted escape or reversal, a near-fall shall not be scored unless the offensive wrestler has control of his opponent in a pinning situation beyond normal reaction time.

Resumption of Wrestling After Out-of-Bounds SECTION 11. The position to be assumed by the contestants at the resumption of a match shall be neutral or in the starting position on the mat as determined by the position held upon going out-of-bounds. If neither wrestler has control, the match shall be resumed with both wrestlers opposite each other and on the designated red and green areas on the 10-foot circle. If one wrestler has the advantage, he will take the offensive starting position at the center of the mat.

Reversal SECTION 12. A reversal occurs when the defensive wrestler comes from underneath and gains control of his opponent, either on the mat or in a rear standing position, while the supporting points of either wrestler are within the wrestling area.

Stalemate SECTION 13. When the contestants are interlocked in a position other than a pinning situation in which neither wrestler can improve his position, the Referee shall, as soon as possible, stop the match and wrestling will be resumed as for out-of-bounds.

Starting Position SECTION 14. a. *Defensive Wrestler*. A stationary position at the center of the mat in which the defensive wrestler is on his hands and knees facing *away from the timers' table*. He must keep both knees on the mat in contact with the rear starting line. The heels of both hands must be on the mat in front of the forward starting line. The elbows shall not touch the mat. (See illustrations Nos. 4 and 5, Starting Position.)

b. *Offensive Wrestler*. The offensive wrestler shall be on the right or left side of his opponent with at least one knee on the mat and his head on the mid-line of his opponent's back. The near arm (right or left) is placed loosely around the defensive wrestler's body perpendicular to the long axis of the body with the palm of the hand placed loosely against the defensive wrestler's navel and the palm of his other hand

DEFINITIONS

(left or right) placed on the back of the near elbow. One knee or foot may be on the mat to the outside of the near leg, not touching the defensive wrestler and a knee or foot may be placed in back of the defensive wrestler's feet. However, one knee must be touching the mat. (See illustrations Nos. 4 and 5, Starting Position.)

Takedown SECTION 15. When from a neutral position, a contestant gains control over his opponent down on the mat while the supporting points of either wrestler are within the wrestling area, he has gained a takedown. Down on the mat, the usual points of support are: knee(s), the side of the thigh and the buttocks. (Knee or knees touching mat beyond reaction time constitutes a takedown.)

Time-Advantage SECTION 16. The offensive wrestler who has control in an advantage position over his opponent is gaining time-advantage. A timekeeper assigned to each wrestler records his accumulated time-advantage throughout the match. A multiple timer may be used to record the time-advantage. At the end of the match, the Referee subtracts the lesser time-advantage from the greater. If the contestant with the greater time-advantage has less than one minute of net time-advantage, no point is awarded. If he has one minute or more of net time-advantage, he is awarded a maximum of one point.

HIGH SCHOOL MODIFICATION

The use of time-advantage is optional by State Association adoption.

Rule 3

WEIGHT CLASSIFICATION AND WEIGHING-IN

Weight Classification

10 Weight Classes

SECTION 1. Competition shall be divided into ten weight classes as follows:

118 lbs.	134 lbs.	150 lbs.	167 lbs.	190 lbs.
126 lbs.	142 lbs.	158 lbs.	177 lbs.	Unlimited

National Championships

SECTION 2. The National Collegiate and College Division Championships shall be conducted in the above listed ten weights and, unless otherwise announced, all conference meets will be contested in these weight classes.

Dual Meets

SECTION 3. Competition in dual meets shall be conducted in the weight order listed, unless changes have been mutually agreed upon at the time of weighing-in.

NOTE—It is recommended that the order of weights wrestled be varied for more uniform interest in dual meet competition.

HIGH SCHOOL MODIFICATION

Competition shall be divided into the following 12 classes:

98 lbs.	119 lbs.	138 lbs.	167 lbs.
105 lbs.	126 lbs.	145 lbs.	185 lbs.
112 lbs.	132 lbs.	155 lbs.	Unlimited

Unlimited class contestants must weigh a minimum of 175 pounds.

All interscholastic competition, including interstate competition, shall be conducted in the above 12 weight classes and all such competition shall be governed by the rules as set forth in the *NCAA Wrestling Rules—High School Modification*.

1. Beginning January 1st and continuing until February 1st, two

additional pounds will be allowed in each weight class. Beginning February 1st and continuing for the remainder of the season, one additional pound shall be allowed in each weight class. This will make a net increase of three pounds beginning the 1st of February.

2. The Rules Committee recommends that individual State Associations utilize an effective weight control program which will involve the competitor, the parents, a physician and the coach.
3. A contestant may not wrestle more than one weight class above his actual weight at the time of weigh-in.
4. The use of a sweat box or similar artificial heat device for weight reduction purposes is prohibited.

Weighing-In

Time SECTION 4. a. *Dual Meets.* Contestants may weigh-in a maximum of five hours and a minimum of one-half hour before the meet is scheduled to begin on scales provided by the host school. The exact maximum time shall be decided by mutual agreement of the competing teams.

Teams may weigh-in on home scales by mutual agreement of coaches and shall furnish the weight list with actual weights listed. It is recommended that the accuracy of all scales be certified by a qualified scale authority prior to the first official weigh-in each year.

HIGH SCHOOL MODIFICATION

Contestants shall weigh-in a maximum of one hour and a minimum of one-half hour before the time the meet is scheduled to begin. When a preliminary meet is followed immediately by a varsity meet, the one-half hour weigh-in period for the second meet may, by mutual consent, precede the preliminary meet. The weigh-in period shall extend no longer than 30 minutes.

- b. *Tournaments.* Each day of the tournament, contestants will weigh-in a maximum of five hours and a minimum of four hours before the meet is scheduled.

HIGH SCHOOL MODIFICATION

Each day of the tournament, contestants shall weigh-in a maxi-

imum of three hours and a minimum of one-half hour before the meet is to begin, with one-pound allowance to be given each day over the weight limit of the previous day. A contestant who is to represent his school must be named at time of weigh-in. (Changes in time may be made by individual State Associations.)

Supervision SECTION 5. The Referee or other authorized person shall supervise the weigh-in of contestants.

Weight Allowance SECTION 6. a. *Dual Meets.* For all dual meets, net weights shall be required. No overweight is permitted nor should it be requested. For colleges only—members of both teams will be allowed one additional pound per day when one team is wrestling on two or three successive days. (Maximum of two pounds.)

b. *Tournaments.* In tournaments, a one-pound allowance shall be given each day over the weight limit of the previous day.

Contestants, including heavyweights, shall weigh-in without clothing for dual meets and tournaments.

Failure to Make Weight SECTION 7. Any contestant failing to make weight at the minimum time shall be ineligible for that weight class. If a contestant fails to weigh-in on the first, second or subsequent day of a tournament after having qualified for such tournament, a forfeit shall be awarded his opponent and points for the forfeit and advancement shall be scored. (See Rule 4, Sec. 9e.)

Medical Examinations SECTION 8. At the time of weigh-in on the opening day of the annual National Collegiate Championships, a physician or physicians shall be present to examine all contestants for communicable diseases. In other tournaments and meets, it is recommended that a similar examination of all contestants be made at the time of weigh-in and the presence of a communicable disease or any other condition which in the opinion of the examining physician makes the participation of that individual inadvisable, shall be full and sufficient reason for disqualification.

Rule 4

CONDUCT OF MATCHES AND TOURNAMENTS

The Matches

Notification And Agreement SECTION 1. All modifications of rules of competition, "ground rules," etc., proposed by the home manager, must be submitted to the manager of the visiting team, or teams, a sufficient length of time before the date of the meet for agreement to be reached on same, and no such action is binding unless approved by the visiting team or teams.

NOTE—In case the coaches concerned are unable to agree on a shorter maximum weighing-in time than the five hours specified as the maximum in these rules, it is understood that the maximum amount of time as specified in the rules shall hold.

The home management shall notify visiting teams at least 10 days prior to the date of the meet the exact time and place of the meet and the name of the Referee.

Intentional Delay SECTION 2. The home team's contestant shall be sent onto the mat first and he cannot be withdrawn or replaced. A team intentionally delaying its appearance on the mat beyond five (5) minutes of established meet starting time shall be penalized one team point.

Length of Matches SECTION 3. All regular matches shall be eight minutes in length divided into three periods with the first period two minutes and the second and third periods three minutes each. The first period will start with both contestants standing opposite each other on the green or red area of the 10-foot circle. The wrestlers will come forward,

shake hands and step back to their designated areas and when the Referee sounds his whistle, begin wrestling. A fall during this or either subsequent period terminates the match. If neither contestant secures a fall in the first period, the Referee shall recess the match and place the wrestlers in the starting position on the mat (Rule 2, Sec. 14) with the appropriate contestant in the position of advantage (Sec. 5 this rule). The second period shall be started immediately by the Referee's whistle. If no fall occurs during this second period, upon its expiration, the Referee shall again recess the match, place the contestant who started the second period in the position of advantage underneath and start the third period as before.

NOTE—In matches involving sight handicapped wrestlers, it is recommended that a finger-touch method be used in the neutral position and initial contact be made from the front. (Illustration No. 3.)

HIGH SCHOOL MODIFICATION

The matches shall be six minutes in length, divided into three periods of two minutes. No rest is allowed. The matches shall be conducted in the same manner as set forth above.

End of Match

SECTION 4. If no fall occurs during the final period and after the match is concluded, wrestlers will return to and remain on their respective (green or red) areas while the Referee checks with the scorers and timers table. Upon the Referee's return to the mat, the contestants will shake hands and the Referee will declare the winner in accordance with Figs. 20 and 21. The time of the match is continuous except when the Referee stops and starts a match.

Failure to comply with end-of-match procedure, after being directed to do so, shall result in penalty points being assessed in dual meets and tournaments. The match is not ended until the Referee declares the outcome of the match with both contestants remaining on the mat. Failure to comply shall constitute unsportsmanlike conduct.

Choice of Position

SECTION 5. a. *Dual Meets*. Immediately before the contest starts, the Referee shall call the captains to the center of the mat and decide by

the toss of a coin which team has the choice of position at the start of the second period in each weight class. The winner of the toss may choose the odd or even number of the weight classes listed consecutively. The choice of odd or even matches in dual meets is not altered in case of a fall, default, forfeit or disqualification.

- b. *Tournaments.* Immediately following the end of the first period, the Referee shall determine which wrestler has the choice of position at the start of the second period, by toss of a coin or disc.

Overtimes

SECTION 6. In tournament competition when the match ends in a tie in points, the contestants shall wrestle three extra periods of one minute each (consolation matches included) starting the first of these periods on the feet and conducting the entire overtime as in a regular match.

The choice of position shall be determined by the toss of a coin. There shall be a one-minute rest between the regular match and the first overtime period and no rest between the first, second and third overtime periods. The points and time-advantage are not cumulative throughout the match and overtime periods, and only the points and time-advantage scored in the overtime period shall be counted in determining a winner. A jury of two judges and the Referee shall observe the overtime periods. When there is a tie in points at the end of the overtime, a jury, consisting of two judges and the Referee, shall select the winner by ballot without any consultation and the match shall be awarded to the contestant who has shown superior wrestling ability in the overtime periods. The signed ballots of the jury shall be recorded on the score sheet. The criteria for determining superior wrestling ability are attempts to secure falls, takedowns, reversals and escapes along with the maintenance of control.

NOTE—See Rule 7, Sec. 3.

Consolation Matches

SECTION 7. Consolation matches shall consist of three two-minute periods conducted in the same manner as regular matches in championships.

HIGH SCHOOL MODIFICATION

Consolation matches shall consist of three periods; the first of which will be one minute in length and the second and third two minutes each in length.

**Control of
Mat Area**

SECTION 8. a. All personnel, other than actual participating contestants, shall be restricted to an area reserved for such use. This area shall be at least 10 feet from the mat and scoring table.

- b. During tournaments a maximum of two team personnel will be permitted in the restricted area.

**Correction of
Error**

SECTION 9. a. When an error has been made in positioning a wrestler in the top or bottom position at the start of the third period, all points and time-advantage gained during the third period are cancelled. Following a rest period of one minute, the period shall be re-wrestled. (Errors occurring during first or second periods shall be corrected with wrestling resumed immediately.)

- b. If there is an error on the part of the timekeeper, scorers or Referee, the error shall be corrected and the Referee will then render his decision accordingly. This correction must take place prior to the contestants having left the mat area.
- c. When a coach believes the official has misapplied a rule (other than questioning judgment), he may approach the officials table, request that the match be stopped and discuss the matter with the Referee directly in front of the officials table. Both wrestlers shall remain on the mat. At the time the match is stopped, the timer will note and record the amount of time consumed for the conference. If there was an error, the Referee will make the necessary adjustments, explain to the opposing coach and wrestling will be immediately resumed. If there was no error, the amount of time

consumed for the conference will be deducted from the wrestler's injury time and wrestling will be resumed.

HIGH SCHOOL MODIFICATION

Filming (Video-Tape) is prohibited during tournaments, except as authorized by State Associations.

Tournaments

Administration SECTION 10. a. Failure to verify entries by the stipulated deadline will result in disqualification from a tournament. Contestants thereafter failing to make verified weight will not be allowed to participate in another weight classification.

NOTE—Submitting names on entry form does not constitute verification.

- b. Contestants will be allowed a maximum of five (5) minutes to appear ready to compete at the specified mat. Failure to appear will result in forfeit to opponent.
- c. Defeat due to injury in a tournament does not eliminate a contestant from further competition.
- d. In case of injury or illness, the host school's physician, in consultation with the chairman of the Rules Committee, will rule on contestant's ability to continue. Extenuating circumstances concerning any injury or illness will be considered by the Rules Committee or Tournament Committee.
- e. A forfeit will eliminate a contestant from further competition in tournaments.
- f. A disqualification may eliminate a contestant from further competition in tournaments. (See Note under Penalty Chart.)
- g. Any contestant who fails to check in or to make weight each day of a tournament is ineligible for further competition and cannot place in the tournament.

CONDUCT OF MATCHES AND TOURNAMENTS

- h. No contestant shall wrestle two matches in any tournament with less than one (1) hour rest between such matches.

NOTE

In case of unavoidable circumstances affecting weigh-in or schedule of matches.
(See Rule 8, Sec. 3i.)

- i. The Rules Committee recommends that medals and team trophies be formally presented in a ceremony made as impressive as possible.
- j. Any conference or other tournament may be conducted under any bracketing agreed upon by participating schools.

**Mat Judges,
Number**

SECTION 11. In all tournament semifinal championship and championship consolation matches, two mat judges shall be assigned to assist the Referee. Majority vote of the Referee and two judges will prevail.

HIGH SCHOOL MODIFICATION

By State High School Association adoption, mat judges may be utilized in tournaments.

**Mat Judges
Procedure**

SECTION 12. The use of two mat judges is designed to minimize human error inasmuch as three qualified officials will be involved in matters of rule application and judgment. Judges will be seated near mat opposite green and red areas, and are authorized to move along mat edge to observe significant action. The Referee will be in complete control of the match and when questions arise, he will take action as outlined below.

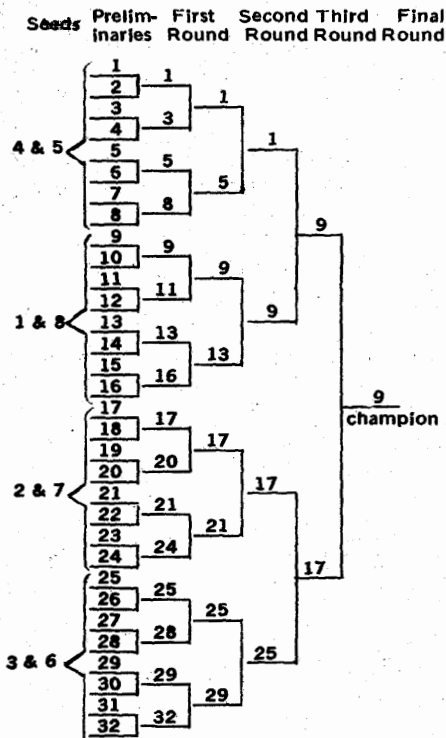

CONDUCT OF MATCHES AND TOURNAMENTS

Page WR-23
RULE 4
Section 12

- a. Disagreement by either mat judge will be indicated utilizing the appropriate signal and disc in gaining the attention of the Referee.
- b. When only one mat judge stands, the Referee will not recognize him if not in agreement.
- c. When both judges stand, the Referee will stop the match as soon as it is practical and indicate Referee's time-out. The referee will avoid interrupting the match while significant action is in progress.
- d. When necessary, the judges and Referee will meet quickly in front of scorers' table to discuss the disagreement.
- e. Agreement will be reached by majority vote of the Referee and two judges.
- f. A judge may support, disagree or have no opinion relative to a decision. However, the Referee's vote shall prevail in the event of a tie.
- g. When a decision is reached, the Referee will inform the scorers' table of any change in the match scoring.
- h. The Referee and two contestants are the only individuals permitted to step onto the wrestling mat. Coaches are not permitted to address the judges.

Places Scored SECTION 13. In tournaments awarding four places, the loser in the final first-place match shall automatically take second place. The winner in the final consolation match shall be awarded third place and the loser fourth place. In tournaments where six places are scored, the defeated wrestlers in the consolation semifinals shall wrestle for fifth and sixth places.

 Others, in order - Lines 17, 16, 28, 5, 21, 11, 29, 3, 25, 8, 24, 9, 20

When using a 16-man bracket, byes will take their places in the same order as shown in the second round column.

- No. 1 seeded man draws for possible positions 9 through 16 in 2nd quarter.
- No. 2 seeded man draws for possible positions 17 through 24 in 3rd quarter.

CHAMPIONSHIP

CONSOLATION

Drawings

SECTION 15. Immediately after the verification of entries, drawings will be made in accordance with the graphic illustration as provided in Sec. 14 of this rule.

Seeding

SECTION 16. Whenever there are two outstanding contestants in any class, the name of one of these contestants shall be placed in the upper half of the

drawing bracket and the name of the other in the lower half. In case several seeded men are of equal ability, their seeded positions shall be determined by drawing.

If there is one outstanding wrestler in any class and also two others who are distinctly superior to the remainder in that class, those wrestlers should be seeded in different quarter brackets of the opposite half bracket from the outstanding wrestler. A seeded contestant shall have the same opportunity to draw for the byes as other contestants in his bracket.

Usually, consideration for determining seeded wrestlers is given to: (a) a returning champion or runnerup, (b) a contestant with an undefeated season record, and (c) a contestant with an exceptional record against acknowledged strong opposition.

Byes

SECTION 17. When the number of competitors is not a power of two (that is, 4, 8, 16, 32, 64) there shall be "byes" in the first round. The number of byes will be equal to the difference between the number of competitors and the next higher power of two. The number of pairs which meet in the first round shall be equal to the difference between the number of competitors and the next lower power of two. There will be no byes after the first round and no further drawing is necessary for the first place or consolation rounds. The byes, if even in number, shall be equally divided between top and bottom. If the number of byes be uneven, there shall be one more bye at the bottom than at the top, as shown in Sec. 14 of this rule.

Contestants Eligible for Third Place Matches

SECTION 18. a. Immediately after completion of the first quarterfinal match in each weight, consolation rounds shall start among all contestants defeated by the winner of this quarterfinal match. At the conclusion of the championship semifinals, the losers of those semifinals shall be cross-bracketed into the consolation semifinals (See b. following.)

After completion of the second, third and fourth quarterfinal matches in the same weight, the same plan shall be followed as indicated in the preceding paragraph.

b. Consolation matches to determine third place and subsequent

places shall be conducted in accordance with the original first round drawings. Therefore, those eligible for the third place consolations should be matched in the order in which they were defeated by the semifinalists in this quarter-bracket.

The winner of the consolation matches involving eligible wrestlers from the first quarter-bracket should be matched with the winner of the consolation matches involving eligible wrestlers from the second quarter-bracket. The winner of this match should be paired with the loser of the championship semifinal bout in the *lower half* of the bracket (cross-bracketing) in the consolation semifinals. The same procedure should be followed with the consolation winners from the third and fourth quarters, the winner being matched against the semifinal loser from the *upper half*.

The eligible contestants are designated in a. of this section.

- c. In the event two wrestlers who have competed against each other previously in the tournament are paired again for either third place or for fifth place, the matches shall be wrestled and scored as if they had not met previously.

Example

SECTION 19. Referring to the Graphic Illustration under Sec. 14, those eligible for the third-place rounds are 2, 3 and 5 from the first quarter; 10, 11 and 13 from the second quarter and 25 as the loser of the championship semifinal in the lower half; plus 18, 20 and 21 from the third quarter; 26, 28 and 29 from the fourth quarter and 1 as the loser of the championship semifinal in the upper half. Only the semifinal losers are cross-bracketed.

We will assume that 2 wins from 3 and 5 wins from 2; that 10 wins from 11 and 13 wins from 10, that 18 wins from 20 and 21 wins from 18; that 26 wins from 28 and 29 wins from 26.

5 then wins from 13 and is matched in the consolation semifinals against 25. 29 wins from 21 and is matched in the consolation semifinals against 1. The winners of the consolation semifinals compete for third and fourth places and the losers compete for fifth and sixth places.

All third-place and fifth-place matches shall be conducted prior to the first-place championship matches.

National Collegiate Championships

Eligibility SECTION 20. Each participant in the National Collegiate or National College Division Wrestling Championships must be eligible under the rules of (1) his own institution; (2) the intercollegiate athletic conference of which his institution is a member, if such affiliation is held, and (3) the National Collegiate Athletic Association. The eligibility rules of the Association are set forth in the NCAA Manual.

University and College Division SECTION 21. Only active member institutions, paid up and in good standing, may enter student-athletes in the National Collegiate or National College Division Wrestling Championships. Institutions which have declared University Division under the provisions of Art. 4, Sec. 6a of the NCAA Bylaws may not enter athletes in National College Division competition. Institutions which have declared College Division under Bylaw 4-6a, may not enter athletes in the National Collegiate Championships unless they first qualify by finishing in the first three in any weight division in the National College Division Championships. Any institution which has not signified in writing to the NCAA executive director its compliance with Art. 4, Sec. 6b of the NCAA Bylaws (the 1.600 rule), may not enter its student-athletes in any NCAA postseason event.

Qualifying Procedures For 1973 SECTION 22. In 1973, the total number of qualifiers for the National Collegiate Championships will be 35 per weight classification as follows:

Big Eight Conference	4	West Regional Championships	2
Big Ten Conference	4	Atlantic Coast Conference	1
Eastern Intercollegiate WA	4	Big Sky Conference	1
Pacific-8 Conference	4	Middle Atlantic Conference	1
College Division Championships	3	Pacific Coast Athletic Assn.	1
East Regional Championships	3	Southeastern Conference	1
Mid-American Conference	2	Southern Conference	1

Page WR-29
RULE 4
Section 22

NOTE—Requests to host NCAA Championships must be submitted to the Chairman of the NCAA Wrestling Rules Committee, in writing, at least three years in advance of the date of the event.

All NCAA University Division schools that are not members of the conferences listed above will qualify through either the East (Districts 1, 2, 3, 4) or West (Districts 5, 6, 7, 8) Regional Championships. College Division schools qualify through the NCAA College Division Championships as listed above.

The 35-man bracket provides for one extra match in each of three quarter brackets. The seeded wrestler will draw position only in the round of 32.

Entries SECTION 23. All entries (qualifiers and alternates) will be submitted to the National Collegiate Championships Tournament Director immediately following the determination of the qualified contestants by the Director of the qualifying tournament.

A wrestler may compete in the National Championship finals only in the weight classification in which he qualified.

Entry Fee SECTION 24. The entry fee for the National Collegiate Championships will be four dollars (\$4.00) per contestant.

Verification Of Entries SECTION 25. Verification of entries shall be completed by 2:00 p.m. on the day prior to initial weigh-in and participation by the designated institutional representative. Verification of entries will be accepted starting on the Tuesday before the championships begin.

Eligibility Certificates SECTION 26. Eligibility certificates shall be completed by 2:00 p.m. (Time at site of tournament) on the day prior to initial weigh-in and

participation by the designated institutional representative. Verification of entries will be accepted starting on the Tuesday before the championships begin.

Alternates SECTION 27. In case of injury or other extenuating circumstances, it is the responsibility of the coach of the contestant unable to compete to notify the National Collegiate Championships Tournament Director and those who placed no more than two places below the number of qualifiers from that tournament (Example—With four qualifiers from a tournament, the fifth and sixth-place finishers become alternates). Alternates are encouraged to stay in condition and be ready to compete.

Seeding SECTION 28. Qualifiers to the National Collegiate Championships will be seeded and drawn in each bracket. (See Rule 4, Sec. 17.)

In order to be considered for seeding, a complete record of each individual qualified for the National Collegiate Championships must be submitted by his coach to the Tournament Director. These data shall include results of all matches and tournaments (under Collegiate rules) at all weight classes during current season and shall be certified by the institution's athletic director.

Regional Qualifying SECTION 29. The sites of the two regional championships will be selected by the NCAA representatives on the Rules Committee.

It will be the responsibility of each Regional Championships Director to send all qualifying material to the National Collegiate Championships Tournament Director.

COLLEGE DIVISION MODIFICATION

1. Verification—Entries shall be completed by 12 noon (time at tournament site) of the day prior to the tournament.
2. Weigh-in—Shall be held from 9 to 10 p.m. of the evening prior to the day competition is to start.

Rule 5

SCORING

SECTION 1. Match scoring must be kept in plain view of spectators, contestants and coaches. It is strongly recommended that a timing device be available and visible for the purpose of recording time-advantage. If a visible timing device is not available, information on time-advantage shall be made available to coaches during the progress of the match by the Timekeeper.

Individual

Takedown (by each wrestler) (Rule 2, Sec. 15)2 points

Reversal (Rule 2, Sec. 12)2 points
Near-Fall (Rule 2, Sec. 10)2 or 3 points
Time-Advantage (Rule 2, Sec. 16)1 point for
one minute or more of net accumulated time in the advantage position. One point is the maximum to be awarded for the match and this point shall be recorded on the final score.

Penalties (See Rule 7 and the Penalty Chart).

NOTE—Method of recording score for an overtime match.

Example: 3-3, 1-0 (OT)*

3-3, 1-1, (UD,SD)**

* OT—Overtime

Rule 6

INFRACTIONS

Abusive or Unsportsmanlike Conduct SECTION 1. Conduct of coaches, contestants or team personnel (manager, trainer, physician, etc.) which becomes abusive, unsportsmanlike or interferes with the orderly progress of the match is subject to penalty without warning. This includes abusive language used during and following a match. The home management shall be responsible for the removal of violators at the request of the Referee. Spectators may be removed from the premises without penalty. (See Penalty Chart.)

Flagrant Misconduct SECTION 2. If, in the opinion of the Referee, the unnecessary roughness or abusive conduct is of a flagrant nature before, during or after the match, the contestant is disqualified on first offense. One team point is deducted from the offended wrestler's team score. The penalty for flagrant misconduct by coaches or contestants is removal from the premises with one team point deducted. A contestant so disqualified in tournament competition is not entitled to placement points but will be credited with advancement and fall points earned prior to the incident with other contestants remaining in their respective positions.

Foreign Substance On Skin SECTION 3. The use of oil or greasy substances which cannot be completely removed shall be grounds for disqualification at the discretion of the Referee. Time out for the removal of such foreign substances shall be cumulative with the time out for injuries throughout the match. The total time out shall not exceed three

minutes. (See Rule 7, Sec. 4.)

NOTE—This provision is applicable when contact lens are dislodged or lost during a match.

Unnecessary Roughness

SECTION 4. Either before, during or following a match, intentional striking, gouging, kicking, hair pulling, butting, elbowing, biting, or an intentional act which endangers life or limb shall be penalized. (See Penalty Chart, Note 2.)

Holds

Illegal

SECTION 5. Any hold shall be allowed except the hammerlock above the right angle; the twisting hammerlock; front headlock; headlock without the arm; the straight head scissors (even though the arm is included); over-scissors; full (double) nelson; strangle holds; all body slams; toe holds; twisting knee lock; key lock; overhead double arm bar; the bending, twisting or forcing of the head or any limb beyond its normal limits of movement; locking the hands behind the back in a double arm bar from the neutral position; full back suplay from a rear standing position and any hold used for punishment alone. (See Illustrations Nos. 8 through 35.)

NOTES

1. Contestants may grasp all four fingers in an effort to break a hold, but pulling back the thumb, or one, two or three fingers is illegal.
2. The term "slam" is interpreted as lifting and bringing an opponent to the mat with unnecessary roughness. This infraction may be committed by a contestant in either the top or bottom position on the mat as well as during a takedown. When a contestant lifts his opponent off the mat and brings him forcibly to the mat with the upper half of the body coming in contact with the mat first, a slam will be called. A forceful trip may be considered as unnecessary roughness. Slams shall be called without hesitation following situation occurring.
3. An intentional drill or forceful fall-back is illegal when the defensive wrestler is in a standing position and the offensive wrestler has a scissor hold or a cross body ride.
4. A leg hooked over the top toe of an opponent's straight body scissors is interpreted as an over-scissor and therefore illegal.

5. A wrestler applying a legal hold should not be penalized when his opponent turns the legal hold into an illegal hold. The Referee shall cause the hold to be released if there is a danger of injury. However, the match need not be stopped unless the Referee finds it necessary to do so in order to correct the situation.
6. Whenever possible an illegal hold should be prevented rather than called.
7. The three-quarter nelson is not to be interpreted as a headlock.
8. Pulling the head over the shoulder with hands locked or overlapped is not to be interpreted as a headlock.
9. The double arm bar is legal while in a neutral position if hands are locked at the side. (See Illustration 19.)

**Potentially
Dangerous**

SECTION 6. The double wristlock, chicken wing, split scissor, guillotine, when being applied with arm forced beyond normal range of movement, and other holds which may cause injury when used legally are considered potentially dangerous holds. (See Illustrations Nos. 9, 10, 28, 29 and 30.)

Contestants should know the dangers of these holds and the blocks for them. The Referee should anticipate danger of injury from these holds and be in position to block them before they reach the danger point. Furthermore, all Referees, coaches and contestants should understand that any and all holds used in such a way as to endanger life or limb are illegal and all Referees should verbally caution contestants against forcing a potentially dangerous hold into an illegal position.

The chicken wing is a legal but potentially dangerous hold. When the hand of the defensive wrestler goes behind the back with parallel pressure to the long axis of the body, it becomes a twisting hammerlock and is illegal. (See illustrations Nos. 28, 29, 30 and 31.) The double wristlock and chicken wing become illegal when forced into a twisting hammerlock position as in the case of applying the force parallel instead of perpendicular to the long axis of the body.

No contestant should ever be put in a position where he must forfeit a neutral position, a position of advantage or a fall because of an injury or danger to life or limb. The Referee should promptly stop any and all holds which in his opinion are for punishment alone. If a legitimate hold is forced to such an extent as to

endanger a contestant, or if it becomes a punishing hold, the Referee shall stop the match and require the hold to be broken. No penalty points should be awarded. The match shall be resumed in the neutral or starting position on the mat as determined by the position held at the time the match was stopped.

Any holds over the mouth, nose, eyes or front of the throat shall not be permitted. Pressure from the side of the hand, forearm or wrist is considered a hold and therefore barred when used on the mouth, nose, eyes or front of the throat. Forcing such a hold may be considered unnecessary roughness depending on the intent of the act as determined by the Referee and shall be penalized accordingly. (See Illustrations Nos. 32 through 35.)

Technical Violations

Stalling

SECTION 7. a. It is the responsibility of contestants, officials and coaches to avoid the use of stalling tactics or allowing the use thereof. Action is to be maintained throughout the match by the contestants making an honest attempt to stay in the circle and wrestle aggressively whether on the top, bottom or neutral positions. This concept shall be demonstrated by those responsible with strict enforcement by officials. A stalling penalty is preceded by a warning and there shall be only one warning per contestant per match, including overtime.

When an official recognizes stalling occurring at any time and in any position, he will warn the offender and thereafter violations will be penalized when stalling recurs. These provisions require the Referee to penalize stalling without hesitation.

- b. *Neutral Position*—Each wrestler must make an honest attempt to stay within the 10-foot circle and maintain an attack to secure a takedown regardless of the time or score of the match. A contestant who continually avoids contact with his opponent is stalling. A contestant may leave the circle to maneuver for

position provided he continues his attempt to gain an advantage and make an effort to work back into the circle. Taking a position near the edge or allowing his opponent to push him off the mat when the opponent makes an effort to go behind, is stalling.

- c. *Advantage Position*—The contestant in the advantage position on the mat shall make an honest attempt to wrestle aggressively and attempt to secure a fall. Intentionally releasing an opponent is not considered stalling unless the contestant in position of advantage is not wrestling aggressively. The released wrestler is to be allowed reaction time before a takedown can be attempted.
- d. *Holding Legs*—It is stalling when the wrestler in the advantage position on the mat grasps the defensive wrestler's leg or legs with both hands or arms unless such action is designed to break his adversary down for the purpose of securing a fall or to prevent an escape or reversal. Repeatedly grasping and holding the leg or legs with both hands or arms merely to break the defensive wrestler down or to keep him under control is a violation under this rule. When the defensive wrestler has gained his feet, the wrestler in the advantage position is allowed reaction time to begin his breakdown when he is holding a leg or legs with both hands or arms. Continually grasping or interlocking hands around a leg resulting in a stalemate situation is to be considered stalling.
- e. *Defensive Position*—Refusing to wrestle aggressively in the defensive position is stalling and shall be penalized as a technical violation. Referee will give both visual and verbal warning without stopping the match. (See Penalty Chart.)

NOTE—When there is no action in the mat position, the responsibility for initiating action rests with both wrestlers.

Interlocking Hands

SECTION 8. The wrestler in the position of advantage may not interlock or overlap his hands, fingers or arms around his opponent's body or both legs unless his opponent has all of his weight sup-

ported entirely on his feet or he has him in a pinning situation. The mere touching of the defensive wrestler's hands to the mat is not considered a change in this position unless the hands are used as support parts, in which case, the offensive wrestler is allowed reaction time to release the lock. It is unsportsmanlike for the defensive wrestler to touch his hands to the mat in order to release the offensive wrestler's lock and the Referee shall not call a violation if the lock is held in such cases. (See Illustrations Nos. 36 through 39 and Fig. 13.)

NOTE—The Referee shall not stop action when signaling the violation when the defensive man is in the process of a reversal or escape. The defensive man is allowed to complete the reversal or escape provided he does so in a continuous maneuver. If the defensive man fails to complete the reversal or escape after an opportunity to do so, the Referee shall stop the match and award the penalty. (See Penalty Chart and Fig. 13.)

**Leaving Mat
Without
Permission**

SECTION 9. It is a technical violation to leave the mat without first receiving permission to do so from the Referee.

Delaying Match

SECTION 10. Delaying the match such as straggling back from out-of-bounds, unnecessary changing and adjusting equipment, assuming incorrect starting position and making false starts from the starting position after a verbal caution are technical violations.

**Going Off
The Mat**

SECTION 11. Going off the mat or forcing his opponent off the mat any time by either wrestler, as a means of avoiding wrestling, is a technical violation. Penalty points will not be awarded in situations where near-fall points are earned.

**Grasping
Clothing**

SECTION 12. Grasping of clothing, mat or mat cover or headgear by a contestant is prohibited, and any advantage gained thereby shall be nullified. Grasping clothing to prevent or gain an escape, reversal, takedown or fall is a technical violation.

NOTE—(Treat same as Note under Sec. 8.)

Rule 7

PENALTIES AND WARNINGS INJURIES AND DEFAULTS

Penalties and Warnings

Penalty Chart

SECTION 1. The infractions of the rules are penalized in accordance with the penalties as listed on the Penalty Chart.

Indicating Infractions

SECTION 2. When indicating an infraction, the Referee shall stop the match, except when warning and penalizing the defensive wrestler for stalling, give the hand signal to indicate the points or warnings (Figs. 9 and 10) and announce the penalty so the contestants, scorers, coaches and spectators are aware of the infraction.

Warnings and Sequence of Penalties overtime.

SECTION 3. The Penalty Chart indicates the sequence of warnings and penalties and they are accumulative throughout the match including

Injuries and Defaults

Time Out

SECTION 4. An injured contestant is entitled to a maximum time-out of three minutes which is cumulative throughout the match, including the overtime. There shall be no limit to the number of time-out periods which may be taken in any match, but the total time-out shall not exceed three minutes. If, at the expiration of the time-out, he is able

to continue wrestling, the match shall be resumed as if the contestants had gone out-of-bounds. Nose bleed or any other excessive bleeding shall not be interpreted as an injury and the number and length of time-out periods for such bleeding is left to the discretion of the Referee.

Unconscious SECTION 5. If a contestant is rendered unconscious, he shall not be permitted to continue after regaining consciousness without the approval of a physician. If the injured contestant is unable to continue wrestling, the match shall be awarded in accordance with Secs. 6 and 7 of this rule.

Accidental Injury SECTION 6. If a contestant is accidentally injured and is unable to continue the match, his opponent shall be awarded the match by default.

Injury from Illegal Action SECTION 7. If a contestant is injured by any illegal action to the extent that he is unable to continue following a maximum of three minutes rest, the match shall be defaulted to the injured contestant. In case of an intentional attempt to injure an opponent, the offender shall be disqualified. Time-out for injury because of an illegal hold does not count against an injured wrestler's injury time. (Max. three minutes.) (See Rule 6, Sec. 4, and Penalty Chart for Flagrant Misconduct.)

Attendants During Time-Out SECTION 8. No more than two attendants and a physician shall be permitted on the mat with the wrestler during time-out.

Note—Control is gained when the hold is applied to the lower leg.

No. 7—CONTROL

Illustration demonstrates control following allowance for reaction time.

→

No. 8—ILLEGAL HAMMERLOCK (ABOVE RIGHT ANGLE)

The hammerlock is a legal hold, provided the arm is not bent above the right angle (i.e., provided that the arm is not carried above the small of the back); and provided, further, that the hand is not forced out away from the body, making it a twisting hammerlock. In this illustration the arm is carried distinctly above the right angle and is illegal.

No. 9—ILLEGAL DOUBLE WRISTLOCK ON THE MAT

This cut shows double wristlock turned into a typical twisting hammerlock that will injure opponent's shoulder if the arm is forced upward, unless opponent turns with the pressure, which often he is unable to do promptly enough to prevent injury to the shoulder.

No. 10—LEGAL DOUBLE WRISTLOCK ON THE MAT

The double wristlock on the mat is legal if the direction of the force is perpendicular to the long axis of the body.

→
**No. 11—ILLEGAL FRONT
 HEAD LOCK**

Illustration shows how the front head lock is used to counter a leg pickup. This hold is dangerous and is illegal.

←

**No. 12—ILLEGAL HEAD-
 SCISSORS**

This straight scissors on the head is illegal.

→
**No. 13—LEGAL HEAD-
 SCISSORS (FIGURE 4
 HEAD-SCISSORS)**

The figure 4 Head-Scissor is considered legal when taken as shown, with the hold on either side of the face.

**No. 14—OVER-SCISSORS
(AN ILLEGAL HOLD)**

The over-scissors is barred entirely under these rules because it is only a punishing hold and is of no value unless defensive contestant who uses it is allowed to force the hold, which thereby endangers the ankle and knee of his opponent.

**No. 15—STRAIGHT
BODY SCISSORS—
LEGAL HOLD**

**No. 16—ILLEGAL TWIST-
ING KNEE LOCK**

This shows a twisting knee lock. It is an illegal hold (Rule 6, Section 5). The Referee should anticipate the danger of injury from this hold and be in a position to block it before it reaches the danger point. (See Rule 6, Sec. 5, Note 6.)

→
**No. 17—LEGAL FOOT
 (IN-STEP) HOLD**

The defensive wrestler may grasp the instep, heel or ankle in his effort to escape, providing the pressure is not such as to endanger the ankle, knee or hip joint.

←

**No. 18—ILLEGAL TOE-
 HOLD (ALSO TWISTING
 KNEELOCK WHICH IS
 MORE DANGEROUS
 THAN TOEHOLDS)**

All toeholds, regardless of the degree to which the leg is twisted, are illegal under these rules. Any pressure against the knee joint as shown by the above illustration constitutes an illegal hold.

No. 19—LEGAL (left) and ILLEGAL (right) DOUBLE ARM BAR
Locking hands behind the back in a double arm bar from neutral position. Note that the double arm bar is legal when hands are locked at side (under armpit).

No. 20—ILLEGAL HEAD LOCK
Locking the arm around the head.

No. 21—LEGAL HEAD LOCK
Opponent's arm is included in the lock.

No. 22—A LEGAL HOLD
Pulling the head over the shoulder with hands locked or overlapped.

**No. 23—THREE-QUARTER NELSON,
 A LEGAL HOLD**

→
**No. 24—FULL NELSON—
 AN ILLEGAL HOLD**

The top wrestler places both arms under his opponent's arms and places both hands behind neck and/or head.

←
**No. 25—LEGAL GUILLO-
 TINE**

*Arm is locked around oppo-
 nent's head or neck.*

**No. 27—ILLEGAL OVER-
 HEAD DOUBLE ARM BAR**
*This hold is illegal when used
 as shown above either with or
 without the scissors and ap-
 plied with either one or both
 arms.*

**No. 26—POTENTIALLY DAN-
 GEROUS GUILLOTINE**

*When applying the guillotine, forc-
 ing the arm beyond normal range
 of movement parallel to the long
 axis of the body is to be interpret-
 ed as potentially dangerous.*

No. 28—LEGAL CHICKEN WING

No evidence of illegal pressure or twisting hammerlock.

No. 29—ILLEGAL CHICKEN WING

Pressure (force) parallel to the long axis, regardless of whether defensive wrestler's hand is in front or back, makes this an illegal hold.

Nos. 30 and 31—POTENTIALLY DANGEROUS CHICKEN WING

While pressure (force) is neither parallel nor perpendicular to defensive wrestler's long axis, possible twisting hammerlock causes hold to become potentially dangerous.

←

No. 32—LEGAL BLOCKING ON FACE (ON CHIN)

Blocking on chin or forehead is legal.

No. 33—ILLEGAL BLOCKING ON FACE (ON FACE PROPER)

This form of blocking is illegal because it is over mouth, nose and eyes, in contrast to position in No. 32.

No. 34—A LEGAL CROSS FACE

It is an effective and legal block for the double leg pick-up.

No. 35—ILLEGAL (above) and LEGAL (below) FACE HOLD

←

No. 36—INTERLOCKING OF HANDS AROUND THE BODY

A Technical Violation. Offensive wrestler is not allowed to lock (overlap) hands, fingers, wrists or arms around body while defensive wrestler is supported by parts other than his feet.

→
No. 37—LEGAL USE OF THE HANDS IN WAIST-LOCK

This shows the legal use of the hands of the top man. The defensive contestant's supporting parts, except feet, are clearly off the mat.

←

No. 38—LEGAL USE OF HANDS IN BODYLOCK
This complete bodylock is legal because defensive wrestler is in a standing position. This hold would be a technical violation if defensive wrestler had one or both knees on the mat.

No. 39—INTERLOCKING OF HANDS AROUND LEGS

This position is a technical violation.

Referees' Signals

The signals illustrated on the following pages are standard for wrestling Referees throughout the nation. It is the duty of every Referee to know these signals in order to give them instantly and clearly so that the wrestlers, timers, scorers and spectators are aware of what is taking place during the progress of the match.

The Use of the Whistle

SECTION 1. The whistle should be held ready for immediate use at all times during the match.

→
Fig. 1—Shaking Hands and Stepping Back. After the officials indicate they are ready at the table, the Referee directs the wrestlers to shake hands, step back to their designated areas, and be ready to wrestle when the whistle sounds.

Fig. 2—Designating The Position Of The Wrestlers Before The Start Of The Match. As the wrestlers come onto the mat, the Referee points to the areas they are to take on the circle (green for the home team, red for the visiting team). He next points one hand toward the timers and scorers to verify their readiness. Note—After an out-of-bounds, wrestlers return to designated areas. The Referee raises his hand forward between two wrestlers. After a momentary pause to make certain the wrestlers are ready, he sounds his whistle and simultaneously moves his hand as a signal for the wrestlers to go into action.

Fig. 3—Resuming The Match in The Starting Position On The Mat. The Referee should face the officials table and position himself at a distance of 8 to 10 ft. in front of the wrestlers and a little to the side on which the top wrestler stations himself. The Referee may give a preparatory command such as "Get Set" or "ready." When the Referee sounds his whistle and moves his hand to start the action. Note—Some wrestlers watch the Referee's hand to get a fast start. It is usually better in such cases to blow the whistle a moment before moving the hand. The whistle starts the action. The hand signal is for the timer; in case they do not hear the whistle.

Fig. 4—Stopping The Match. The Referee blows his whistle and extends his hand to stop the watch.

Fig. 5—Stopping The Match For Out-Of-Bounds. When the contestants are out-of-bounds (Rule 2, Sec. 8) the Referee stops the match and extends both arms horizontally to the same side toward the out-of-bounds. The Referee places himself in the most advantageous position to determine the out-of-bounds and stops the match immediately when the out-of-bounds occurs.

Fig. 6—Declaring A Neutral Position Standing After Out-Of-Bounds. When the contestants are out-of-bounds (Rule 2, Sec. 8) and neither is in an advantage position, the Referee stops the match as in Fig. 5 and signals a Neutral position. The upper arms are front horizontal, both forearms are vertical and the hands are extended upward.

Fig. 7—Indicating A Neutral Position During A Scrimmage For A Take-Down. Both arms are extended sideward slightly below the horizontal with the palms of the hands down. The Referee moves his hands back and forth bringing them together and moving them away while verbally announcing "no advantage."

Fig. 8—Indicating Retention Of Advantage. Whenever there is any doubt as to the contestant in the advantage position, the Referee should indicate the contestant in the advantage position by pointing to him with one hand. The Referee will keep his other hand down and along his leg so that there will be no confusion as to whether any points are awarded.

Fig. 9—Awarding Points. One arm and index finger are pointed at the wrestler receiving the points. At the same time the Referee verbally announces the award and the name of the team receiving it as he raises his opposite arm to a near vertical position, indicating with extended fingers the number of points awarded.

Fig. 10—Warning And Indicating A Violation. The match is stopped. The index finger of one hand is pointed to the violator. At the same time the Referee verbally announces the penalty and raises the opposite arm with his fist doubled to indicate the "warning" or penalty. Note—For "warning" and penalizing defensive stalling the match is not stopped

←

Fig. 11—Scoring A Pinning Situation. The Referee gets down on the mat in a prone position in the best view of the defensive contestant's back while at the same time trying to keep out of the way of the contestants. The Referee does not signal a score for a "near-fall" until the pinning situation is ended. (Rule 2, Sec. 10) After the situation is finished the Referee extends one arm upward indicating with the fingers the number of points awarded as he directs the index finger of his other hand toward the contestant receiving the points.

→

Fig. 12—Calling A Fall. When the fall (Rule 2, Sec. 5) is imminent the Referee raises one hand about 10 inches. As soon as the fall is completed he quickly strikes the mat with the palm and verbally announces "Fall." The Referee is not to put his hands under the back of the defensive wrestler unless his view of the shoulders is blocked by one or both contestants and it is absolutely necessary for him to feel the back on the mat in order to call the fall (Rule 8, Sec. 3h.)

←

Fig. 13—Interlocking Hands, Or Grasping Clothing, During An Escape Maneuver (Rule 10, Sec. 7 a. When the bottom contestant is in the process of an escape or reversal and the contestant on top locks his hands or grasps the clothing to prevent the maneuver, the Referee indicates the violation by clasping his hands over his head. This signal stops the advantage time for the top contestant, and indicates the violation has occurred but the Referee is allowing the bottom contestant an opportunity to complete the action providing he does so in one continuous maneuver. If the maneuver is successful, bottom contestant gains neutral or top position, the Referee signals the points and the match continues with no interruption. If the bottom contestant fails to complete the maneuver the Referee stops the match and awards the penalty. (See Penalty Chart.)

→
Fig. 14—Preventing An Illegal Hold. (Rule 6, Sec. 5 & Rule 8, Sec. 3g.) The Referee anticipates a potentially dangerous hold and gets in position to block it before it becomes dangerous. He may also verbally caution the contestant against forcing a potentially dangerous hold into an illegal hold.

←
Fig. 15—Calling Time Out. The match is stopped as in Fig. 4. If there is to be a delay in resuming the match, the Referee will indicate "time-out" by extending one hand in a vertical position at right angles to his chest with the ends of the fingers touching the palm of the other hand which is extended in a horizontal position in front of the chest. The Referee announces to the scorers the reason for the time out and to whom it is charged.

→
Fig. 16—Calling A Stalemate Situation. The match is stopped as in Fig. 4. Then the Referee indicates the reason for stopping the match as a stalemate by placing the arms on the chest in a bent position with the fists closed as indicated at the right.

←
Fig. 17—Indicating A Potentially Dangerous Hold.

→
Fig. 18—Indicating An Illegal Hold.

←
Fig. 19—Indicating Stalling By Defensive Wrestler. Match continues.

→
Fig. 20—Declaring The Winner. (Rule 8, Sec. 3j) At the end of the match the Referee orders the wrestlers to shake hands and raises an arm of the winning wrestler.

←
Fig. 21—Declaring A Draw. In case of a tie score at the end of the match in dual meets, the contestants will shake hands and the Referee will raise a hand of each of the contestants.

For the purpose of national championship competition, the NCAA's active institutional membership of 659 (of a total membership of 759) is divided into a University or National Collegiate Division (242) and a College Division (417). College Division institutions are divided into Division I and Division II for football.
